Endorsement for Surfers Paradise Foreshore Master Plan

Gold Coast City Council Coordination Committee has endorsed a master plan to guide all future work in the Surfers Paradise Foreshore area.

The master plan will form the basis of all design briefs for re-development work taking place along the foreshore area.

Under the recommendations approved today, the Juniper Development Group will be advised that it can now proceed with the detail design for the area in front of its proposed Soul development.

The Surfers Paradise Foreshore Master Plan will cover an area running from Clifford Street in the south to View Avenue in the north.

Mayor Ron Clarke said that Council land leased to the Centro Property Group would be addressed separately.

He said: "This master plan has the potential to be a fantastic breakthrough in terms of achieving world's best practice in ocean foreshore development. I believe it can set a standard that will not only influence what happens in other areas of the Gold Coast but also throughout Australia."
